"No". Like vacation, Wedding, or Trips?

No

How comfortable are you working closely with Technology/ what kind of devices you normally use?

I am tech savvy and familiar with office programs.

Why are you looking for a new job?

I am a recent college graduate looking to further my work experience in an office setting. I am eager to learn.

What is your goal in life/ how do you see yourself in the next 2..3..5.. Years of time?

I hope to have learned more about the professional work environment and contribute to it in a significant way. I hope to gain useful experience and establish connections.

What do you feel are the 3 best qualities to have in assisting a property management office ?

Willingness to go the extra mile, working well with others and understanding their needs, and being organized.

What strategies do you use to remain calm in a high-stress, faced-paced environment?

I remember to take a deep breath and know that I am a capable individual. I am someone who takes precautions to prevent situations that cause me stress or help me handle it when those situations inevitably happen.

How would you handle multiple jobs that has competing deadlines?

Developing a structured approach: prioritization, organization, and communication. I handle competing deadlines by assessing the urgency of each task. I prioritize based on deadlines and impact, and use a project management tool to keep track of my tasks. I will also communicate regularly with my team and supervisors to ensure alignment and address any potential conflicts.

What do you think will be your daily job if we chose you for this position?

I expect to be put into a fast-paced work environment with hardworking individuals. I am confident I will meet my teams' and supervisors' expectations because I am eager and excited to learn. I will support the efficient operation of the office and the real estate professionals. I expect to answer phones, manage emails, handle scheduling, preparing and organizing documents, and help keep the office organized.
